RFA # 12-005 Release A

The Washington State Health Care Authority is pleased to announce that the companies listed below have been selected as the successful applicants to be designated as Qualified Health Homes in the Pierce County area:

- UnitedHealthcare of Washington, Inc.
- United Behavioral Health (Optum Pierce)
- Community Health Plan of Washington

Coordinated Care Corporation received conditional designation pending their submittal of an action plan and implementation schedule to address areas identified by the evaluation committee.

Once agreements have been finalized, we anticipate services to begin approximately July 1, 2013.

The Health Care Authority again wishes to thank all the firms who submitted applications for their interest in this RFA, and encourage all qualified firms participation in future opportunities with both HCA and the State of Washington.

RFA # 12-005 Release B for services in Coverage Area 5 (Clark, Cowlitz, Skamania, and Wahkiakum County areas) and Coverage Area 7 (Asotin, Benton, Columbia, Franklin, Garfield, Kittitas, Walla Walla, and Yakima County areas) is anticipated to be released on February 25, 2013.
