

Washington State Health Care Innovation Planning

Tribal Thought Leaders Discussion

1-3 p.m. Monday, October 7

Agenda

Meeting Objectives:

- Review and discuss proposed elements of the Innovation Plan; and
- Discuss opportunities to incorporate tribal innovations and desires.

- 1:00 p.m. Welcome, Introductions, and Review of Meeting Objectives
Karol Dixon, Native Health Program Manager, & Karen Merrikin, SHCIP Project Director
- 1:10 p.m. The Washington State Health Care Innovation Plan
Karen Merrikin
- Purpose and scope of Innovation Planning
 - Proposed vision and key elements
- 1:40 p.m. Opportunities for Tribal Health
Group Dialogue
- How do we build upon opportunities such as Tribal Centric Behavioral Health and the uncompensated care waiver?
 - What health and health care innovations and strengths exist in tribal communities that the Innovation Plan should build upon?
 - Are there elements of the Innovation Plan that should specifically address tribes?
- 2:50 p.m. Next Steps
Karol Dixon & Karen Merrikin
- Timeline
 - Future opportunities for discussion and review
- 3:00 p.m. Adjourn
